### OVERVIEW

ClickStrike Computers Limited has been established as an Information Technology company which strives to take our nation to the next level of technology with being partners with different IT partners from around the world.

We are new limited company in the market with staff having experience of working in the IT field for more than 15 Years and under a Managing Director who has 14 years under his belt for working for one of the leading IT Companies in Tanzania. We might be new in the market, but we have the experience and services second to none.

### COMPANY STRATEGY

**Purpose -** To be a leader in the IT industry by providing enhanced services, relationship and profitability.

**Vision -** To provide quality services that exceeds the expectations of our esteemed customers.

**Mission statement -** To build long term relationships with our clients and provide exceptional customer services by pursuing business through innovation and advanced technology.

**Core values -** We believe in treating our customers with respect and faith, we grow through creativity, invention and innovation. We integrate honesty, integrity and business ethics into all aspects of our business functioning

**Goals** Regional and National expansion in the field of IT management and develop a strong base of key customers. Increase the assets and investments of the company to support the development of services. To build good reputation in the field of Information Technology and become a key player in the industry.

## SCOPE OF WORK

ClickStrike Computers Limited is specialized in all kinds of IT requirements, be it a small flash drive to a multi programmed server for a leading organization, we have specialized staff in all departments of the company, who are qualified to handle all necessary requirements required by the client.

An added bonus to this is that we also install CCTV surveillance systems with our qualified engineers who have experience in this field for the past 5 years.

## FINANCIAL CONSIDERATIONS

The company expects to reach the desired profits in the first year and does not anticipate serious cash flow problems. We believe that the average profitability per month for the first 3 years will be sufficient. Most of the company's liabilities come from management investment.

## OUR MOTTO OF 4H

"**H**and in **H**and we work together with customers and suppliers **H**appily by providing good and quality services to **H**arvest satisfaction and friendship from both sides"
